SENATOR SKARDA: Well I suppose you could.

SENATOR BARNETT: Why don't you take a look at it, we thought we had that cleared up I think basically what you are trying to do, but I think we'd, you see we strike out lines 8 and 10, also, I think the bill, the intent is the same thing.

SENATOR SKARDA: Well if it serves the same purpose I don't have any objection, I want to be sure of it, maybe you don't have any objection, possibly hold the bill until tomorrow then you and I can get together and see what it does.

SENATOR BARNETT: That will be fine.

SENATOR SKARDA: Mr. Chairman I'm asking that the bill be held until tomorrow.

SPEAKER: Senator Skarda has asked that the bill be held until tomorrow, are there objections to holding the bill? Hearing none, so ordered. We move to the general file consideration then of LB 57.
